5-12 Program

“A safe place to learn and grow”

Our programs and services are for children 5 to 12 years old and their families. Our goal is to provide a safe, encouraging and empowering environment in which children can learn and grow. We offer specialized programs and activities that focus on team work, leadership, healthy lifestyles, fostering acceptance, inclusion, respect, cooperation and responsibility. Activities and special events are geared towards building children’s self esteem and developing their social skills. Building positive relationships with each other is strongly encouraged.

The 5-12 programs consist of an after school program, Pedagogical (ped) day and spring day camp services, a Saturday program and a summer day camp.

After School Programs

Children aged 5 to 12 years old can attend our after school program from Monday to Friday, 2:30-6:00 pm. Each afternoon, children from local schools are transported to our centre via the bus or walk safe programs. Upon arrival, the children are provided a healthy snack, and then participate in activities such as computers, gym, games, cooking, arts and crafts, and homework support. In addition to these daily activities, the children can also participate in specialized activities such as leadership and creative arts. Places in the after school program are reserved via a registration process with a monthly fee.

“Parents have come to rely on our great homework program. School success is something that we strive to support.”

Pedagogical Days and Spring Day Camp

Our ped day services provide parents with childcare from 8:00 am-6:00 pm. Children participate in a variety of exciting outings and special activities. There is an additional cost for this service. All outings and transportation costs are included in the fee.

We offer a one-week Spring Day Camp from Monday to Friday, 8:30-4:30 pm. Extra supervision is available for an extra fee (7:00 am-6:00 pm). The activities are age appropriate and entertaining. We go on outings, have specialized theme days, arts and crafts, computers, gym, and much more. Our basic fees include daily breakfast and healthy snacks, as well as all outing costs and transportation.
